About

El Caparra is Puerto Rico's most comprehensive social and sports club. We are distinguished by our select group of community leaders to whom we offer family oriented, personalized service in an exclusive and prestigious environment.

Founded in 1944 by a group of visionary individuals, Caparra Country Club (CCC) has established itself as an idyllic destination and community that fosters family experiences, builds lasting friendships, and promotes engagement in sports within an elegant and welcoming setting.

Our private club offers a central location with easy access from carr #2. We are conveniently located at #6 Ramos Mimosa St., Garden Hills Norte.
